This page focuses on the accomplishments of the SHS FIRST Robotics Team and their success in Philadelphia. Participants were: David Akman, Justin Anderson, Mike Baker, Tim Belliveau, Ed Burnett, Kevin Davis, Karandeep Dehal, Ryan Halliday, Dennis Holtgreffe, Greg Hwang, Jeffrey Jin, Elaine Kristant, Ryan LeBlanc, Bill Meola, Ashley Mueller, James O'Connor, Patrick O'Malley, Greg Panagiotou, Kush Patel, Amy Peeke, Chad Peterson, Liz Ring, Todd Rogers, Dave Snowdon, Ashley Stewart, Shawn Walker, Greg Young, Josh Zarr. SHS Faculty Advisors were Mr. Cornacchioli and Mr. Smith. Many parents and local engineers spent hundreds of hours supporting the students.

The FIRST "team": \$25,000, 40 students, 8 parents, a half dozen engineers, 4 teachers, 2 grandparents and 1 robot. Shrewsbury High School and Compaq Corporation worked together over a 6 weeks period (over 6,500 hours) to complete the task of building a robot to pick up and toss large balls into a rack. When SHS/Compaq Team 467 went to Philadelphia to compete in regionals they placed 8th after losing in the semi-finals. SHS/Compaq Team 467's hard work paid off as they were the highest seeded rookie team. With aspirations of building 2 robots next year, the FIRST 2001 Team 467 continues to work hard throughout the spring and summer.

Spring Sports' Night

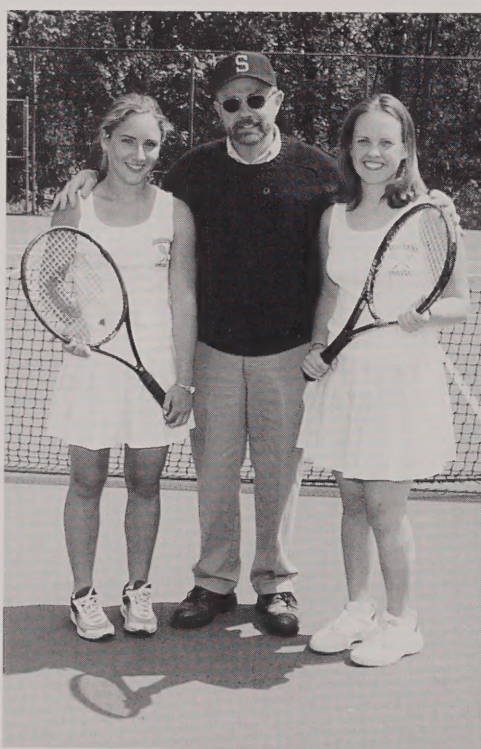

## SHS Girls' Tennis

The team had a very successful season, ranking #1 for a good part of the spring and finishing as League Champs with a 9-1 record. "Most felt it would be a rebuilding season, but as our record shows, we've had a solid season," stated Emily Kinback. "Everyone has contributed in a very big way." Singles positions were filled by junior Lauren Michaels, co-captain Jesslyn Kuekan, and undefeated freshman, Danielle Rebh. Co-captain Emily Kinback and senior Jill Rosenbaum were the designated first doubles team, followed by sophomore Lesley Fisher and freshman Vi Tran. Kate Favulli, Meg Schmidt and Stephanie Mak complete the 2000 Tennis roster. The team is coached by Mr. McGinn. Losing but one senior to graduation, the team looks formidable for 2001!

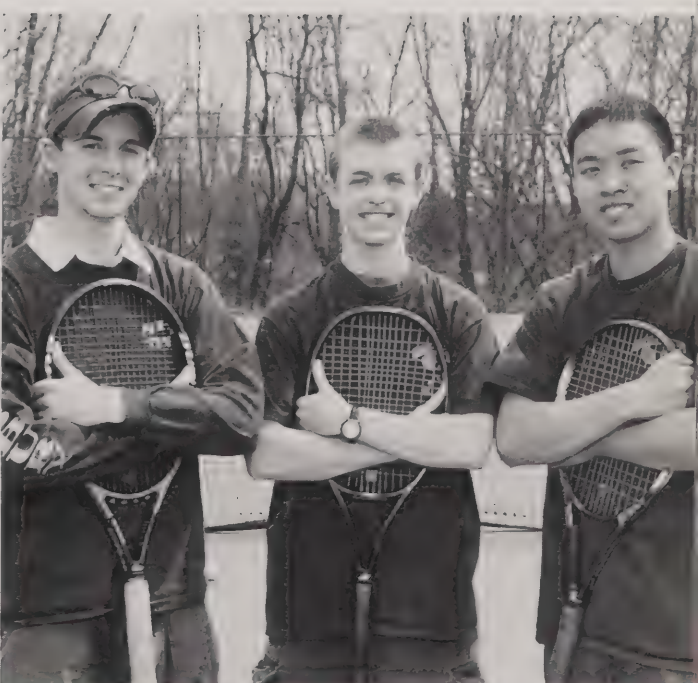

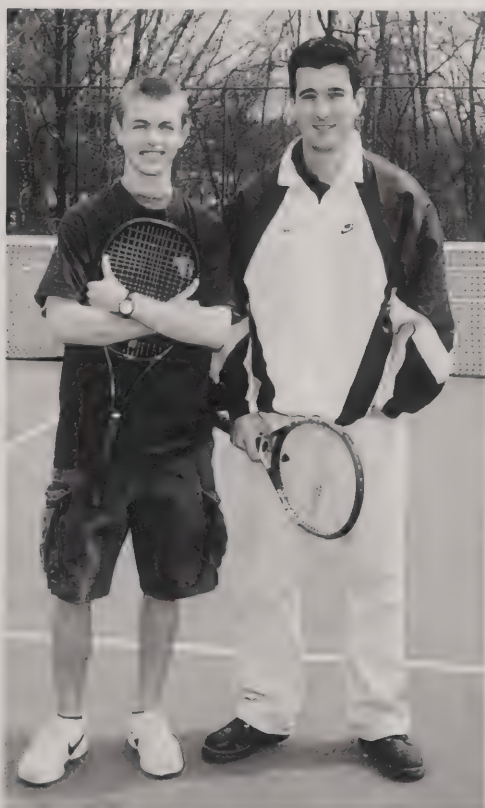

## SHS Boys' Tennis

The team played well enough under Coach Handy to qualify for post season play: Seniors Captain Core, Bernhard Tim Beliveau, Greg Hwang Shaw Lupton Juniors: Paul Cotto, Josh Zarr Freshmen: Nate Bernhard Dennis Holigrefe Kenta Tsuda Justin Geiser Abel Lin.

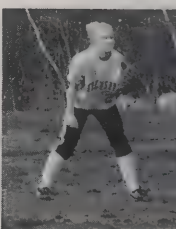

# SHS Softball

The team had its best and most rewarding season in over five years. Practice began early and ended late. The team traveled through Central Mass, becoming the most feared contender. The 2000 squad was led by co-captains Angie Todisco and Jill Morris. Like last year, the team's offense and pitching was unstoppable. Jessica Aditays was tremendous on the mound, posting a number of perfect games. Senior Angie Todisco started her second year behind the plate. Left fielder, Deanna Joubert and Keely Nowosacki all shared time defending the left side of the infield while Jill Morris and Whitney Cooksey manned the right. Seniors Bridget Nowosacki and Bonnie Pihl were both dominant in the outfield, along with sophomore Shevon Spence. The team's depth came from juniors Kelly Conroy and Mary Brunell, and from sophomores Elise Conley, Jess Viau, Kathy Hunt and Kristen Sullivan. Last year's hitting slump was overcome with seven players batting over .300, a credit to the team's hard work in the batting cage with Assistant Coach George Morris. Softball Coach is Mr. Palumbo.

## BASEBALL

A big win over St. John's (5-4) was but one of the sweet parts of the 2000 season. The 15-5 record catapulted the team into the State Championships, where six outs were what kept SHS from the top rung. Head Coach Niro was assisted by Coach O'Connell. Captains were seniors James Buonomo and Jimmy Board. The rest of the team: seniors Brian Merchant, Bob Roddy, Shayne Barnes, Brendan Slavin, Jon Bacotti, juniors Lee Diamantopoulos, Nick Dion, Shawn Walker, Andy Morano, Matt Vaccaro; sophomores Billy Orfalea, Tom Crossman, Tim Kilroy, Justin Sorensen, Mike Sigismondo; freshmen Alex Baez

The JV's were coached by Jay Costa: sophomores Derek Forte, Ryan Bigda, Todd Cooksey, Nick Todisco, Matt Amdur, Ryan Bennett, J.D. At Middletown and Barnstable we showed the other teams what we were made of. ## SHS Lacrosse

For the second season the Girls' Lacrosse Team has taken the field at SHS headed by Mrs. Karla Andre, a former US National Team member. Despite the "club" status, the girls have worked very hard everyday. Their efforts resulted in an undefeated record (as of press time). Kate Welch has been unbeatable in goal and Colleen Fitzgerald has anchored a strong defense. Goals have been provided by Aubrey Andre (Captain), Jess Beauregard, Nicole Alarie, Carol Sogigian, Tara Westall (Captain) and Erin Brownell (Captain). Remaining members: juniors Amanda Walsh, Caitlin Buckley; sophomores Suzanne Czerniak, Kelly Gieser, Marissa Alarie; freshmen Liz Avis, Caitlin Gardner. Everyone contributed to a strong team effort, especially in games against Bedford and Westboro. The team looks forward to varsity status next season!

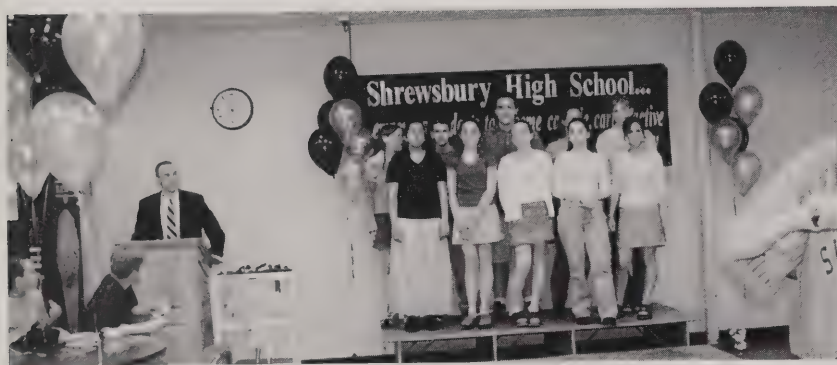

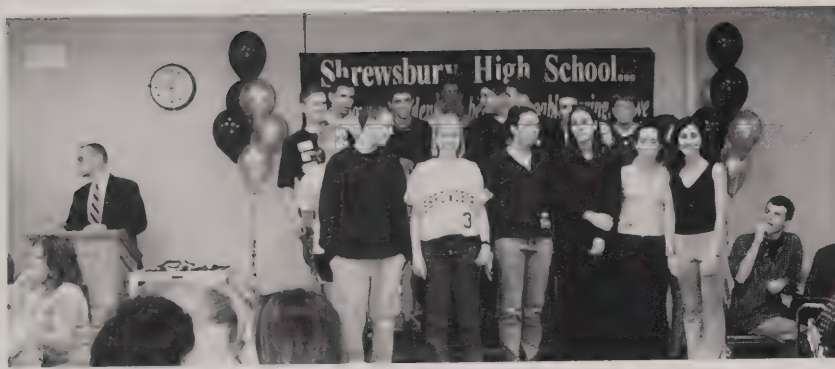

Boys' Lacrosse was a dream at the end of the '98-'99 school year. Following the girls' lead, Dan Morgado, Peter & Patrick McParland decided to start a boys' program. To their surprise, 25 dedicated players showed up. Most had never picked up a lacrosse stick in their lives! With great athletic ability and moderate stick skills, the boys managed many victories, among them Canton and Assabet. The dedication of ALL the players has really gotten the program "off the ground". Everyone is looking forward to next season!

Boys' Lacrosse: seniors John Dahlstrom, Ryan Lavner, Luiz Marconcini, Sean Neafsey, Keith Osborne, Zack Sroka, Bill Younker; juniors Craig Gendron, Thomas Guarino, Ryan Halliday, Peter McParland (Captain), Daniel Morgado (Captain), Andrew Siebert; sophomores Tim Calder, Matt Chase, Matt Corron, Ken Terrill, Nathan Lusignan, John Fenuccio, Paddy McParland (Captain), Chris Rinkus, Dave Stone, Chris Zajchowski; freshmen John Ahern, Kevin Casey, Greg Lloyd.

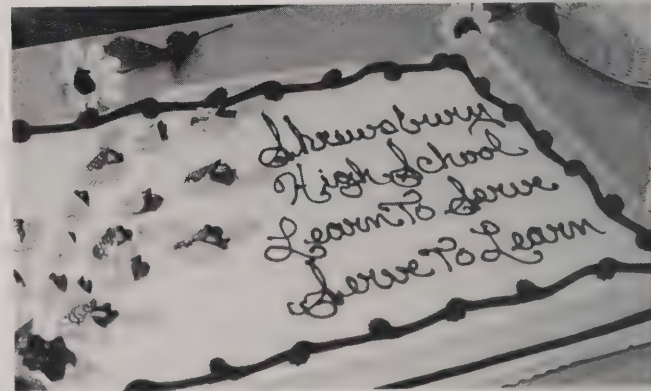

NHS Induction honors both *old* and *new* leaders: President Shaw Lupton, VP Magda Tomecka, Secretary Kevin Sitko, Treasurer Bill Younker, SL Liaison Ingrid Gustafson; President Mary Brunell, VP Colleen Fitzgerald, Secretary Caitlin Buckley, Treasurer Jason Trikakakis, SL Liaison Adrienne Pereira.

## SHS Service Learning

SHS celebrated with the entire student body during lunches the many achievements in Service Learning during the year. All were invited to enjoy the six huge SL cakes! There were Blue & Gold balloons just about everywhere. Mr. Gutekanst addressed all the lunches and presented special Service Medals to 46 students who typify SL students who are "... empowered ... to become capable, caring, active contributors to the world in which they live" (*SHS SL Mission Statement*): *Seniors* Lauren Cove, Karin Danielson, Steven Davis, Lisa DelSignore, Eric Dirodi, Ingrid Gustafson, Katie O'Brien, Patrick O'Malley, Melissa Pessolano, Shannon Russell, Kevin Stone, Jay Sweet, Jill Taylor, Bill Younker; *Juniors* David Akman, Justin Anderson, Mary Brunell, Caitlin Buckley, Rob Dalton, Lee Diamantopoulos, Colleen Fitzgerald, Laura Gulli, Kacie Holton, Irene Hosey, Emily Kinback, Briana Malloy, Katelynn Melican, Kristin Moynihan, Ashley Mueller, Kush Patel, Amy Peeke, Adrienne Pereira, TJ Russell; *Sophomores* Lauren Busekroos, Dave Chapin, Landon LaPorte, Greg Panagiotou, Carrie Rutkowski, Katherine Saba, Chris Zajchowski; *Freshmen* Rachel Brady, Dan Chaparian, Erica Chase, Jeanette Davis, Lauren Di Benedetto, Divya Minisandram.

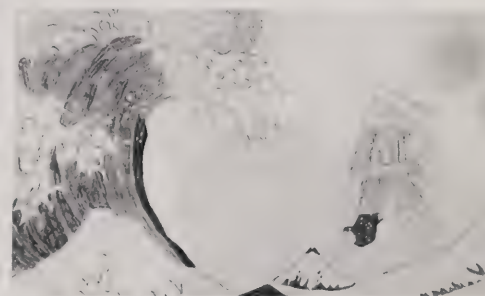

The very next week after school was over, some students returned to tell a teachers' workshop about their Service Learning experiences. Here four recount Service at the Food Bank, The Mustard Seed, and other projects which will be combined into FOOD Etc., a new SHS Activity.

Much of the second semester was spent by two classes plus NAHS members on the interdisciplinary Art/World Civilizations Mural. It is portable so that it can be at the new HS (that meant actually making the canvas panels)! Funded by two grants (SHS Alumni and Service Learning), the mural is over 24 feet long and 6 1/2 feet high. Pictures show students working on the cartoons (like first, second and third drafts in writing) before transferring images to the canvas itself. WC students selected images to be included (from Indian, Chinese and Japanese History), were involved with the critique process actually helped with the painting, and developed two companion booklets (one for WC students, the other for elementary students). Some WC students travelled to Spring Street (with the mural and their booklets) to present it to classes on their International Day) Teachers were Ms. Fried and Mrs. O'Leary.

## Art & History

Some World Civilizations Classes visited the Higgins Armory as they were studying Medieval History. Each created a "shield" with a "coat of arms" after they learned what some of the symbols meant.

Yearbook 2000 arrives. Are there new recruits to work on next year's edition?

## Advisors

The Class of 2000 was helped to a good start by Advisors Mrs. Bedrosian, Mrs. Jonaitis, Mrs. Roddy and Mrs. Wolpert. This last year both Mrs. Wolpert's leave and Mrs. Jonaitis' MS assignment made it necessary to recruit Mrs. Matson and Mr. Danielson to see us through 'til June. Our Administator Mrs. Meyers helps keep us focused and productive! Many and sincere thanks for all your efforts from your Class of 2000!

The season was one of the most successful in memory. The kids brought home a lot of "hardware": at the Hooksett, New Hampshire Championships, the 1st Girls won silver and the 2nd Girls, bronze! 1st Girls rowed to a fifth in the Textile River Regatta and 3rd in the Foot of the Quinsigamond. In the latter race, 2nd Girls were 5th, 3rd Girls were 2nd, and the Girls' "four" were 2nd. Girls' Captains are Katie O'Brien and Carolyn Johnson. The Coaches Krause are assisted by Mr. Carr and Mr. Abraham. Crew caricature was drawn by Danielle Lightbody '00. Layout by Katie O'Brien '00.

# SHS Boys'

The team, led by John Terrill and Bob Roddy, was young with high hopes. The season record of 3-6 was a big disappointment to the entire team. Juniors Jay Trikakakis and Kevin Wilkes led in the meets; along with Sophomores Adam Maroney, Jon Burkett, Ryan Mauro; and Freshmen Matt Kinback and Jeff Hayes. The team has many runners with talent and potential, so next year looks promising, losing but three runners and keeping their top nine!

## SHS Girls'

Some might think being a team of small numbers would be a handicap. Perhaps in terms of winning, that would be true. But, in terms of closeness, small numbers have brought us together in a way that can only be expressed through our pictures and our stories. Climbing Mt. Monadnock shows but one example of friendships created. The season presented us with some difficulties, but the experiences left us with many anecdotes and memories. The team overcame all problems encountered and we are the better for those victories. As Coach Goewey put it "Our team has had its ups and downs, but the "ups" encouraged us and the "downs" only made us stronger."

Bump, set, spike it! That's the way we like it! The SHS Volleyball team had an exciting season, improving their record to 7-9 and barely missing their goal to reach the District Tournament. This was the program's second year and was lead by Captains Allison Ward, Ingrid Gustafson, Christina Curini and JV Captain Tin Aung. Dave Kennedy coached the team through strong competition which challenged this year's best teams. JV Coach PJ Landry lead his team's first season. "When you believe, anything is possible." Without such a belief, this team would never have gotten so far. The future is bright!

## Boys' Soccer

This year's Varsity Soccer Team was lead by Captains Zach Sroka, John Pustis and Ryan Lavner. Although there was never a dull moment for the team, the final outcome of the season was shy of their expectations. Finishing with a 4-12-2 record, Mr. Martin's boys never seemed to give up on themselves, striving for a playoff birth, that unfortunately did not surface. Major contributions came from a well rounded group of athletes: Sean Baril, John Pustis, Luiz Marconcini, Zach Sroka, Ryan Lavner, Ryan Bennett, Andy Morano and Tim Johnson at forward. Next year's hopes are invested in John and Chris Pustis, TJ Russell, Paddy and Peter McParland, Ryan Bennett, Andy Morano, and of course, the rest of the team. After many building seasons, the hopes are high for this bunch of bright young stars. Shrewsbury High has to say goodbye to an outstanding group of senior soccer players, who have promising careers ahead of them.

# Making History!

The Girls' Soccer Team set a number of records; they won the first ever District Championship in SHS history. The Girls also clinched the Mid-Wach A League Title with a record of 8-0 and finished with a final record of 17-3-1. Led by Captains Beth LaBua, Cori Leifer and Magda Tomecka, the Girls defeated Wachusett in the first round of Districts 2-1 and North Middlesex 1-0 in the Semi-finals. The Finals were won by the Colonials 2-0, as they edged the Holy Name Naps.

The Girls went on to the State Championships, but were unsuccessful in achieving that pinnacle position. However their season glitters still with four League All-Stars; a T & G All Star and five Central Mass All-Stars (see Fall sports' Night page). To top it off, two-year All American Magda Tomecka has been named to the National Team!

In addition to the Captains, Seniors Erin Brownell, Whitney Cooksey, Erica Sundt and Cait Nugent were valuable contributors, Junior keeper Colleen Fitzgerald was a major factor in all of the Colonial victories. Next year looks bright with thirteen returning varsity players.

The Golf Team turned in a successful season with a record of 9-3-1 and finished 2nd in the League. Coach Cornacchioli returned to the team after a year's absence. Highlights of the season included an opening win over rival Algonquin and tying North Middlesex for their only blemish all season. Bill Younker qualified for States by finishing 3rd in the district. The team showed depth with play from Sigismondo, Mahoney, Sorenson, Walker and All-Star Ryan Hawley. The team will be strong next year under the leadership of Captains Paul Cotto and Shawn Walker.

## SHS Cheerleaders

The Team has participated in an exciting Fall Season! Their routines at Field Day were a highlight of that event. Thanksgiving Day produced rain this year instead of the bitter cold two years ago when Milford visited. This time the Squad helped cheer SHS on to victory completing the winningest season in SHS History!

Before the Superbowl, the Cheerleaders rallied the whole student body in support of the Football Team and then continued to lead the large crowd of SHS supporters at the Worcester State Stadium as SHS played a very good game against the eventual winners from Longmeadow.

# Season of Dreams

Led by Terry Walles in his second year as Head Coach, the Colonials came up with a season beyond anyone's expectations. After a pivotal win over Gardner in the season opener, the Colonials stormed Division 1A, beating all other teams to go undefeated in their league and take the title as well as a Superbowl berth. After a monstrous win at Homecoming vs. newfound rival Algonquin, the Colonials elevated their game to a new level. Riding high after shutting out Milford on Thanksgiving Day, the Colonials played an outstanding game in the Superbowl, but came up short, as Longmeadow defeated Shrewsbury 36-21. However, the team posted several SHS records: first team ever to have 10 wins in a single season, first ever back to back wins vs. Milford, and the first team to win its league.

With the strong running game of Mario Johnson, the arm of Lee Diamantopoulos, the blocking of fullback Brian Robitaille, great receiving by Dennis Ferrante, Captain Jamie Buonomo and Captain Jon Bacotti, the Colonial offense exploded. Linebackers Greg Ward, Junior Captain leading tackler Brian Robitaille and A.J. Tomaiolo provided solid defense, along with defensive lineman Tom Segrin, Captain Jay Sweet and Jon Bacotti. With fourteen returning starters next year, the Colonials are sure to continue a winning tradition for years to come.

Whenever the Colonials got the ball, they were just about unstoppable. They just didn't get their hands on it often enough! The heft of the Longmeadow team can be seen in the photos and it paid off for them as well as requiring heroic play from the Colonials. SHS rallied in their support and turned out in fine style at the Worcester site for the game. Claire Gutekanst commented "Too bad we lost, but wait 'til next year. Besides we had way tons more fans ..." Nobody's denying that a win would have been "sweet", but all that preceded was a dream in itself and not in any way diminished!

The Varsity has high hopes for their season: the main goal to make the districts for the first time in thirteen seasons. The season started out strong with four straight wins against Grafton, Nashoba, Westboro and Quabbin, tying the number of wins for the entire previous season! After losing the next six outings, they were back on track with huge wins over league rivals Wachusett and Fitchburg, making it a .500 season to January 23rd. Coach Diamantopoulos has the troops geared up and ready for district play. Matteo Urella returns for his second year as team manager. The tone is positive, making the team entertaining to watch.

# Cheerleaders

Many think cheerleading is not a sport. But, it is! There is more than cheering at football and basketball games and at pep rallies. Actually, we have our own season, competing in Cheerleading Tournaments against schools from all over. It takes a lot of work to put a routine together. It may last only about three minutes, but we have to put a lot into that short time. From stunting to tumbling to cheering, it all must work in the routine. To get ready for these tournaments, there is practice five days a week: that includes before games and days when there aren't games and also Saturday mornings. It is a lot of time, but it is worth it. We compete in five or six tournaments (sometimes more than one in the same weekend). The first this year is February 19th. The pressure is on!

# Gymnastics

Dynamic explosion on the floor, swinging freely on the bars, powerful vaulting, and flawless beam routines: the elegant gymnastics team is off to a great start. The team has attracted 23 gymnasts this year, and more than half are freshmen. With the team's legacy of great success, the hopes are high for this season. A routine must contain different elements or skills, containing at least the minimum of the most difficult E or D levels. Representing different skills levels for floor routines are the back tuck laid out with full twist; switch leaps; full twisting shadow jumps; pirouettes.

## Extra + Ordinary =

Defending a State Championship is tough on its own, but when fourteen seniors have graduated, it makes it extremely difficult. The present team is mostly inexperienced: only nine have returned from last year's extraordinary team. This year's team is led by Captain Carl Lemire, Assistant Captain Kevin Richardson, offensive star Bobby Cardin and utility man Zach Sroka. These four, and the entire team, hope to raise another banner for Head Coach Irving, Assistant Coaches Binkowski and Joslyn. The season won't be easy, but the team is up for the task. They have readied themselves for another big year by dedication and hard work in the off season. Long time nemesis, North Middlesex, was battled to a 4-4 tie, so the season looks promising. The extra is there to make this team extraordinary: we hope to retain the crown!

## Girls' Track

"Quality, not quantity" became the motto for the team this season. The team was small with only twenty-three athletes. With wins over Milford, Leominster and Notre Dame, the team finished with a respectable record of 3-3 in the Mid-Wach League. The girls worked hard and improved tremendously from the beginning of the season under the leadership of Captains Kristin Bates, Ingrid Gustafson, Maggie Hagerman and Erica Sundt. Key contributors included sprinters Jenny Dehal and Bonnie Pihl; hurdlers Maggie and Ingrid; high jumpers Meg Conway and Jess Aditays; distance runners Rachael King, Kristin Koziara and Eileen Billings; and shot putters Kristin B., Erica, Alicia Orfalea, Leah Segrin and Colleen Fitzgerald. Members of the team qualified for State competition. Congratulations to the entire team for a great season and for surviving Ingrid's karaoke pasta parties!

## Boys' Track

The team finished the winter season without winning a meet (0-5), but it was still a good season. The team fought hard all season long and never took defeat easily. Captains Jay Sweet and Kevin Stone provided good leadership, but the team, with only twenty-nine athletes on the roster, lacked the numbers necessary to compete with other teams in the league. Despite the losses, the team looks forward to rebounding next year, with many key underclassmen returning. Some high points of the season were Scott Bucher and Jay Izzard each coming in third place in the League Meet in Shot and High Jump events. The defining moment for the team was against League Champ Fitchburg when the boys, knowing that they were already defeated, still came out and absolutely demolished Fitchburg in the relay to end the meet. This event showed the team's courage and determination.

## SHS Swimming

The '99-'00 Swim Team pulled through for a stellar season, defeating Fitchburg and Leominster, and then finally winning over rival Algonquin. The last of the original swimmers graduated last year, but rising stars and the dedicated coaches, Karen Lee,

her son Jeremy, and newcomer Paul, more than made up for their loss. The team's top times this season make them a veritable powerhouse at the League Meet, from which they hope to send many swimmers on to the States.

Mr. Danielson won the "prize" this year with the largest number of students who selected "his" book for "summer reading". He was forced to convene in the cafeteria and enlist Mrs. Steele's assistance! Mrs. Bannon works with her freshmen; they "present" with substantial visuals! Mr. Rose enlightens about the upcoming MCAS! Mrs. Tompkins checks on vocabulary definitions: "cuisine", "piquant"! Mrs. LaBelle takes on the display case to showcase her students' "Scarlet Letter" "A" visual representations.

The Department: Ms. Adams, Ms. Kavanagh, Mrs. Bannon, Mr. DiFrancesca, Mrs. Stevens, Mrs. Tompkins, Mr. Secino, Mrs. Calimeris; Mr. Danielson, Mr. Nelson, Mr. Rose, Mrs. LaBelle (Director), Mr. Hodgen.

This will be Mr. Rose's and Mrs. Tompkins' last year teaching. Mr. Rose says he will miss teaching English and the Town of Shrewsbury, but most of all he will miss Theatre Arts. He plans to stay in Massachusetts, and he wants to get back to working on and with boats.

Just about the first week of school, Mrs. Stapleton wanted to let us know that a milestone had been reached in the Little Colonials' Nursery School. The first "graduates" were now freshmen! And some were at SHS! We snapped Mrs. Monica with Jennel Ericson, Liz Silva and Rachel Brady (a picture from way back then is behind them!) We also have pictures from Hallowe'en "Trick or Treating" with the Little Colonials of this year; Cooking Class; and all kinds of "plaids" made up into slacks in Sewing Class.

brewsbury's Orchestra, directed by Mr. Metcalf, accompanied the Concert Choir in the traditional Hallelujah Chorus from Handel's "Messiah" to conclude 1999's Friday Concert. As always, there was a great turnout in room to accommodate all the Alumni who came forward to sing. The orchestral program opened with the Overture to "Messiah" and continued with Corelli's Concerto Grosso (popular "Toy Symphony" (during which the audience hears from the Nightingale, Cuckoo, Quail and Toy Trumpet) and Leroy Anderson's "Sleigh Ride". This year, the latter was conducted by Student Teacher David Lussier, leaving plenty of time for Mr. Metcalf to get ready for his cameo performance (see photo on Music page where he is joined by fellow trumpeter Mr. Oneschuk)!

Shrewsbury A Capella Choir was an important part of the Spirit of Shrewsbury Weekend as they appeared at the Town's Common and sang in their "red, white & blue". Besides singing at Disney as part of the Concert Choir, they will be traveling to and performing at various sites in Ireland during the April Vacation. To help defray expenses, early in the year they held a "free" car wash and a dance. At the Holiday Concert they sang the 16th century melody "Lo, How a Rose E'er Blooming", "Sing We and Chant It", the American Folk Song "Shenandoah", "In the Still of the Night" (with soloists Lisa Pisano and Kevin Wilkes), and "Carol of the Bells". They had a busy "extracurricular" performance schedule including the Shrewsbury Credit Union and Tower Hill.

This is an acronym for Education and Leadership for a Non-Violent Age, a Community Service Learning group with the mission to make people aware of other people and issues in the social environment surrounding them. ELNA has made a huge leap from last year in really getting going. So far, the group has had a successful Toys-for-Tots drive and plans to begin an "Action of the Week" focus involving simple friendly gestures everyone can participate in — like smiling at someone new — thereby resulting in an even friendlier environment. ELNA also hopes to assist in bringing "The Yellow Dress" back to SHS. Co-Presidents are Danielle Anziano and Lisa DelSignore; Secretary Marc Spellan, Treasurer Melissa Pessolano; Advisor for ELNA is Mrs. Stevens.

With a membership one short of seventy, the National Art Honor Society is one of SHS' largest student organizations. They were joined by fellow NHS students from St. John's and by some "turners" from the SHS Cross Country teams. The result? A tidy \$4000! The annual Hall-warm party followed, and shortly after that a huge collection of hats, scarves, mittens, and other winterwear for those in need. Mrs. Meyer and Mr. Osterwald took over temporarily for a recuperating Mr. Cole, who returned to oversee the wrapping of the Holiday donations. Officers: President Shaw, Lupton; VP Magda Timocka; Secretary Kevin Sikes; Treasurer William Yunker. Service Learning Liaison Ingrid Gustafson.

## SC & SAC

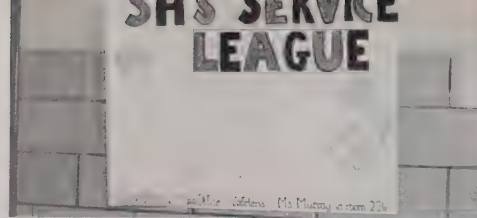

Before the School Year started the Student Council was already at work welcoming new students, including of course, the treatment Katie. (How new Senior Ryan Zeng and... They added to the Spirit of Strawbury efforts with the first SHS dance of the year and also promoted the first Blue & Gold Day of this year. They say, "being is believing," but there are still skeptics after the SC Hypnotist Evening! Focusing on SHS issues, SC conducted a survey, and followed that up with the Annual SHS Town Meeting. Does anyone remember what "Sadie Hawkins Day" is? We hear that SC is celebrating with a "Sadie Hawkins Dance" in February!

SHS Student Council: President Kevin Stone, VP Ingrid Gustafson, Secretary Alison Ward, Treasurer Lindsay Troda, Senior Chris Grotteda, Juniors Eileen Anderson, Paven Aulic, Rob Dalton, Burgess Crow, Jay Stans, Iawryk, Sophomores Lauren Brookman, Danielle Cuevas, Mollie Hunter, Landon LaPorte, Chris Pinkus, Freshmen David Gallagher, Daniel Chapman, Erick Chao, Kate Fawell, Hannah Orr, Advisor: Mr. Chapp.

This is a good place to give a brief weather summary. If Mt. Wachusett didn't "make" snow, there wouldn't be ANY! It is a record! There hasn't been any natural snow yet and we are already into the second week of January 2000, as this page is prepared for publication! Advisor Ms. Yurkinas worked her "magic, though, and at least it has been cold enough to make skiing possible. Members are John Ahern, Kylee Augustino, Angela Bairos, Caroline Ballou, Lauren Bedrosian, Mary Brunell, Lotta Brueggemann, Ed Burnett, Rachel Brady, Joe Campbell, Jessica Card, Sean Costello, Jonathan Dahl,

## Skiing ... Club ... & Racing!!!

The SHS Alpine Ski Team began as an idea in the spring of 1999 and actually is racing in this 2000 winter season. Organizing efforts were made by the Early and Yunker families with the support of Mr. Warren and Mr. Gutekanst. Shrewsbury races as an independent team in the Catholic School Conference which consists of St. John's, Holy Name, Notre Dame and St. Bernard's. Practices and races are held at Ski Ward (and a thank you here for their help). The 2000 Roster: *Seniors* Kelly Early, Keith Osborne, Kerrie Ward, Bill Yunker; *Juniors* Rob Dalton, Peter McParland; *Sophomores* Caroline Ballou, Lesley Fisher, Paddy McParland, Ani Shapazian, Kasia Tomecka. Thirty-something seconds through the course — seems quite fast to the bystander!

## Spirit!

Another student initiative at SHS! Deciding that "Spirit" at SHS needed continued tending, a group of Seniors got together and organized a dance: The Second Annual "Gobble Hobble". The dance was most successful, not only accomplishing its goal — to increase SHS spirit — but also raising \$1,000 to be used to make school improvements, adding yet again to SHS "Spirit"! For getting started, credit goes to Lynne Giguere, Brooke Myers and Taylor. Helping with all the details that go into a dance were: Michelle and Melissa Pessolano, Lauren Sullivan, Dan Walker.

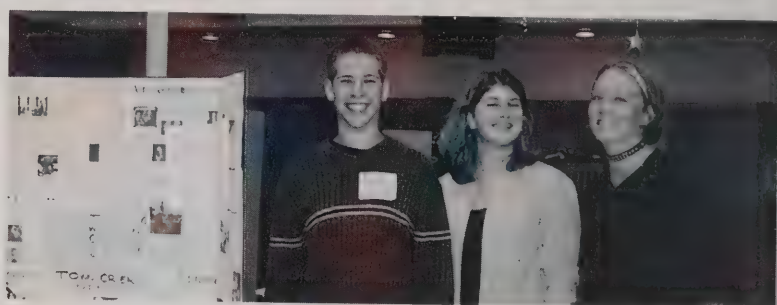

# Town Crier

*Editors-in-Chief: Erin Maroney & Kevin Stone; Managing Editor: Sara Cummins; Senior Booklet Editor: Brian Lemerise; Editorials: Danielle Anziano; News: Julie Sheehan & Katie Guarino; Leisure: Shaw Lupton & Richard Messenger; Sports: Tom O'Neill & Bob Roddy; Student Affairs: Juliet Corcoran; Arts & Entertainment: Chris Turner; Features: Jason Mohr; Staff Writers: Luiz Marconcini, Jen Pacillo, Rosemaria Saeedi, Gina Sciammacco, Alison White, Hyejin Yu. # Yearbook

There are literally thousands of pictures that fill the 240 pages of this year's XII Colonial Yearbook! Taking, sorting, selecting, positioning, and cropping them takes a good portion of the average five hours-per-page that it takes to produce this volume. Another task is proofing: every element must be checked against original submissions. Check that last page, the Colophon on 240, for the Yearbook Staff!

Clouds, clouds in the sky  
Clouds, clouds are so high.  
Clouds, clouds in the air,  
Clouds, clouds everywhere.

Clouds always come and go,  
Especially like the winter snow.  
They are so high,  
In the blue sky.  
Above the tall tree,  
Watching you and me.

Kindergarten, 1987

Dear Lindsay,

Ruth Washburn Nursery School  
had a playground with a Rocky  
Mountain foothill they called  
"the Big Wheel Hill". I never  
imagined how wildly you'd  
careen down it by age five. I'll  
remember the rattle of plastic  
wheels on red sandstone as  
much as I'll remember the  
metal rattle of a high hurdle  
race.

We are proud of you. We are  
proud of your accomplishments  
academic and athletic, the  
good choices you've made,  
your generous heart and your

Have fun on the next "Big

Dearest Sarah,

Seeing you and touching you at your birth is a moment frozen in time. You took hold of my hand and looked into my eyes. I felt the trust you had in me. Every day things became new and wonderful through your eyes. The sun felt warmer, the stars shined brighter. Your laughter filled our hearts and your smile filled us with joy. We waved good-bye and sent you off to school. We listened closely to hear about your day when you returned. Each year brought more knowledge and independence. We watched as you transformed from a child to a beautiful and confident young woman. When you look in our eyes, we hope you can see the love, hope and trust that we have in you. We're so proud of who you are and your dreams for the future. The time has come to send you off to school again to learn new things, and we'll always be near to hear all about your day.

Kenneth Largess (SHS 1968) with his wife have chaperoned many an SHS Prom! He and sister Donna Largess O'Connor (SHS 1970) and *her* husband John (SHS 1969) contributed half a dozen more SHS Grads: John O'Connor (1994); Brian O'Connor (1998); Tara Largess (1994); Erin Largess (1999); Kevin O'Connor (1996); Kenny Largess (1992).

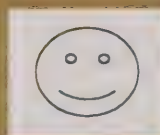

Added to his many assignments (like keeping things "calm" at Field Day) Mr. Largess is liaison to the Building Committee for the "new SHS": the Auditorium and other performance areas are being discussed at this meeting.

"As we enter the new millennium we look forward to a new generation of Largess/O'Connor kids, who will leave their mark as excellent students and competitors, and graduate from the "new Shrewsbury High School".

Clifford Leoni (SHS 1977) troubleshoots all sorts of computer glitches. His wife Sandra, although a transplanted Shrewsburyite, was also a Grad. (SHS 1979). They have two children, Nicholas (9) and Anthony (8) who attend Floral St. School. After graduation, Cliff worked for 16 years at a small software company in Cambridge called Software House, which developed, among other things, database systems, security systems and the Magic Score software program for bowling. Software House was later acquired by CompuServe. While with them, Cliff was involved with both computer hardware and software and is now working toward his NT certification. The family enjoys camping, fishing, golfing, biking and hiking.

This bridge will only take you  
 halfway there  
 To those mysterious lands  
 you long to see:  
 Through gypsy camps and  
 swirling Arab fairs  
 And moonlit woods where  
 unicorns run free.  
 So come and walk awhile  
 with me and share  
 The twisting trails and wondrous  
 worlds I've known.  
 But this bridge will only take you  
 halfway there —  
 The last few steps you'll have  
 to take alone.

To Jamie —

You are a special person and a son of whom  
 we have always been very proud. Thanks for  
 all the wonderful memories — the first

 Always remember how much we love you.

## SHS From the Other ...

Robert Munzner (SHS 1964) visits Virginia Beach on vacation with wife Elaine, also a 1964 graduate, but from Gardner HS. They have two children in college: Tracy at Westfield and Kurt at Worcester State. They were both often SHS competition from Wachusett! He is also pictured in 1964 as co-captain of the baseball team, for which he played third base and pitched. In the background is the practice field, now the football field and track!

After majoring in Physical Education at Northeastern and earning a Masters at U of M, he returned to SHS to teach and coach (cross country, track and field, baseball, and both boys' and girls' gymnastics). His latest, greatest success was Mike Mastro's record breaking season last year.

The motto he has lived by all his life is the motto of the Class of 1964 "Stand in Your Own Light," which he further interprets: "Strive to be a good person so that when you look at yourself in the mirror you can be proud of what you see."

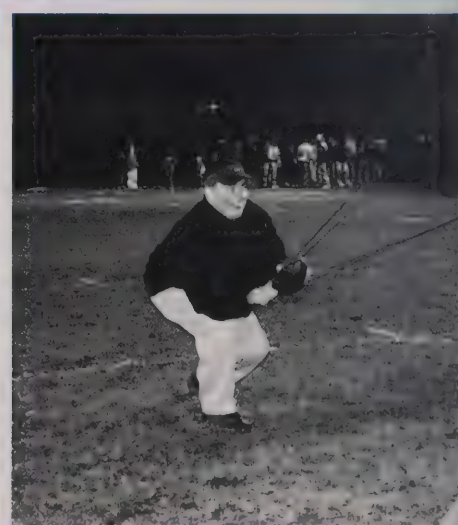

Donna (Grosse) Naumiec (SHS 1977) and husband Joseph have two children, Jessica and Joe. Mrs. Naumiec, one of SHS's Computer "Gurus," is pictured with Mom, Dorothy (SHS 1953).

Because of her Computer expertise, Mrs. Naumiec's comments hopefully include the Y2K scene: "It's not any different than any other New Year and New Beginning. But there is a building excitement as others talk about the Year 2000!"

Gerald (P.J.) O'Connell (SHS 1994) is back at SHS as Coordinator for JBSG, baseball coach, and Advisor to SHS's new Service Learning initiative. He is pictured with Grandmother Claire and also with fellow SHS Graduate Jay Costa!

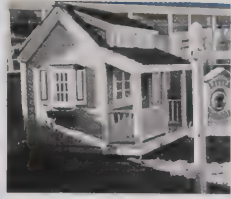

His advice: "Take one day at a time, and always strive for improvement in your daily life."

## ... side of the Desk or Bench!

Dick Perreault (SHS 1969) has a master's hand with wood and teaching his students to respect it! Pictures show some of their masterpieces (the new Beal sign on page 188 is another)!

Lynda Lee Morel Shamlian (SHS 1982) counts nine years as SHS Cheerleading Coach (including the '92 Mid-Wach Champs and the '98 MSSAA Central MA Div. Champs). She is pictured with her Mom, Joann (Coach of SHS Cheerleaders for fourteen years and still a big supporter of Cheerleading, Football and Basketball!); and Sisters Pamela Johnson (SHS 1980) and Kimberly Arcouette (SHS 1983-86). Sons Jeffrey and Derek often accompany Mrs. Shalian to practice: shown are Jessica Card (SHS 2003) on top of mount with Lynne Giguere (SHS 2000) and Sherry Brunelle (SHS 2001).

Her advice to Future Cheerleaders:  
"T-E-A-M, Together Everyone Achieves More!"

Carolyn (Mastrogiovanni) Sherman (SHS 1985) returned to SHS as a SPED Instructional Aide. When her family meets they are holding their own private SHS Reunion! She is pictured with her Mom, Carol (DeGaetano) Mastrogiovanni (SHS 1962) Administrative Secretary UMass — Memorial Med Center Surgery Clinic; son Joe and husband Joseph (SHS 1985) Rand's Automotive; Marc LeBlanc (SHS 1990) Amorello Construction; Pamela Mastrogiovanni LeBlanc (SHS 1991) Natick HS Art Teacher; Peter Mastrogiovanni (SHS 1990) Electrician.

Not pictured are Laurie Kangiser Sherman (SHS 1988) Appleseed Early Learning Center; Scott Sherman (SHS 1987) Uxbridge Kindergarten Teacher and Melinda Sherman (SHS 1993) SPED/Behavior Teacher in the Compass Program in Boston.

To every thing there is a season, and a time to every purpose ...

## My Favorite Sport

By Ingrid Gustafson, age 10

Age 10

I like to do track and field events. I like to run and do the long jump. For the Town Track Meet I was in the hundred yard dash and the long jump. I came in first place for both! I think sports are really fun!

## The Runners

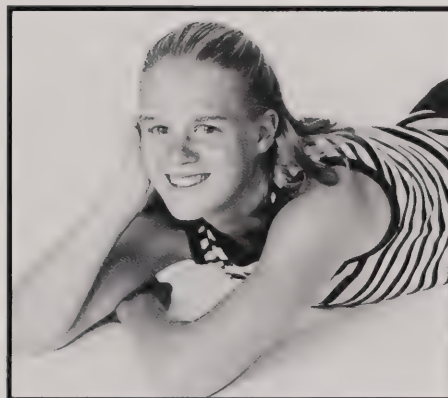

Why does our track team run so fast  
And jump with zest and zeal?  
We owe it all to our great coach  
And our wonderful practice field.

*I have long thought of life as a journey with many different roads. Some of the roads are smooth and straight while others are twisting and hard to traverse. Sometimes there are large mountains which take much effort to climb, but remember, the view from the top is worth the pain. You will also encounter many road bumps that will threaten to throw you off course. However, effort and perseverance will keep you on track.*

*As you make your trip, it will help to have a reliable road map and good traveling companions. It has been my privilege and pleasure to travel with you during the segment of your journey that has taken you through SHS.*

*I will miss you and I wish you the very best of luck as you continue on your way. Congratulations to all the members of the Class of 2000. I am so proud of you!*

*Ellen Meyers*

Sean,

## Jonathan,

When you were a child, you filled each day with wonder and fun.

When a boy, you filled each day with friends and kindness.

Now you are a man and you fill each day with commitment to others.

And dedication to your vision of life.

Always be yourself, and never take the child or the boy out of the man you have become; stay dedicated to your vision, be kind to others,

And greet each day with wonder and fun.

Love and Congratulations,  
— Mom, Dad & Lauren (SHS 1996)

### FOREVER YOUNG

*May the good Lord be with you  
down every road you roam,  
And may sunshine and happiness  
surround you when you're far from home.  
And may you grow to be proud,  
Dignified and true.  
And do unto others  
as you would have done to you.  
Be courageous and be brave,  
And in my heart you will always stay  
FOREVER YOUNG.*

*May good fortune be with you,  
may your guiding light be strong.  
Build a stairway to heaven.  
Be a prince or a vagabond.  
And may you never love in vain,  
And in my heart you will remain  
FOREVER YOUNG.*

*And when you finally fly away,  
I'll hope that I've served you well.  
For all the wisdom of a lifetime,  
no one can ever tell.  
But whatever road you choose,  
I'm right behind you, win or lose.  
FOREVER YOUNG.*

 You've always had "heart" ...  
 Let it be your guide as you travel the road ahead.

*Jill, I remember many, many years ago, when we would spend countless hours playing ... playing only as Jem and Scout could ... as siblings who loved each other. I remember every fort that we built, and every Lego palace that was destroyed. As you get ready to begin the rest of your life, remember that through it all, you were always my best friend, and you forever will be. Know that no matter what happens, I will always be here for you ... both in times of pain and in times of happiness. My wishes and my love for all that will come in the future.*

Dear Tia,

The happiest moment of my life occurred the night of July 24th 1982. How wonderful it was that night and how special you are to all those who have been touched by your love since. You've made us all so proud and the best lies still ahead of you. I know it hasn't always been easy, but adversity has taught you toughness and will help you now that you're beginning life outside the nest. Never forget who you are and where you came from as you mature. Never doubt I will always be there for you in every way for as long as I live. I love you with all my heart.

Well, here I am writing a brief summary to you, for yet another milestone in your life. So many thoughts and emotions are passing through my mind. Where should I begin? You have evolved into the finest young woman a mother could wish for: You are smart, athletic, pretty, cheerful, tenacious, friendly, helpful, and have a superior sense of intuition. I am so proud of the person you are becoming. You hold a special place in my heart. I'm sure you will hold a special position in this world. It is a fact that you have learned lessons from myself, your father, friends, coaches, relatives and others who have touched your life. I trust that you'll take these lessons with you as you begin a new phase in your life and prepare for your next undertaking. There are four thoughts I'd like to say to you one more time. You've heard them many times in your life, but you can never be reminded too many times!! There are no mistakes in life, only lessons ... Life is very short, so don't wait to live it ... Count all your blessings ... and lastly, "I Love you, Tia!" Mom

Jen,  
*You are the light of my life.*  
Love, Mom

**Congratulations Lauren!**

# Millennium: SHS Colonial Yearbook XLI

This is the 240th page of this year's Colonial Yearbook — a tie for the longest, during the past eight years. For the first time in eight years, the subscription price has changed: from \$25 to \$30 (necessitated by increased publishing costs). However, it should be noted that the \$30 also covers the Spring "Extra", a supplement to the Yearbook which runs anywhere from 24 to 40 pages! 750 copies have been ordered from Herff Jones, our publisher. Font is Spartan Medium.

The special focus for this Millennium Edition is Shrewsbury Connections. These pages include staff at all the schools who are Shrewsbury HS Graduates, with a special focus on those right here at SHS. In addition, we have spotlighted businesses that have

been longtime supporters of the SHS Yearbook. We also encouraged those contributing to the Family, Friends & Community section to include members of their families who are SHS Graduates. Next, each Intro section includes some items popular at the

beginning of the last Century and their costs, quite interesting to ponder. Finally, the Celtic letters which mark each alphabetical section of the Index, were developed more than a Millennium ago!
